

Zoo Plaque Planning Page

Name_____

Use the area to the left to sketch out your zoo plaque. Be sure to include the following (use as a checklist):

----Title of your animal

----A picture of your animal

----A map of the region the animal can be found in its natural habitat

----Three important facts about your animal (Think about a zoo patron coming to view your animal. What do you think they would not already know that they would find interesting?)

You are ready to work with Microsoft Word! _____ (teacher signature)

***Don't forget to write your name and your bibliography on the back of your printed zoo plaque!
